Public Service Commission
P.O. Drawer 11649
Columbia, S.C. 29211
Ref: Docket No. 2011-47-WS

Dear Sir:

I am writing to this commission because of the high cost of water in Lexington County. I am paying twice the amount per unit as my other family members in Columbia. I have questioned this and complained to Carolina Water Co. several times to no avail.

We are now being told that Carolina Water Co. is raising the cost more. Please note this objection and please consider stopping this action. The Docket No. 2011-47-WS.

Your consideration in this matter is appreciated!

Sincerely,

Robert D. Brown
